

## Víctor José Andreu Martínez - Frontend Developer

I am keen on continuous learning and problem resolution. In addition, I delight in working in groups to achieve general goals and provide innovative solutions altogether.

**Driving licence** | **Languages:** Spanish (native), English (B2), Japanese (Noken 3)

## Technologies

Html, CSS, JavaScript, Sass, React, Redux toolkit, React-router, Git, GitHub, Vite

## Highlighted Projects

**Videogames News** [victorjandreu.github.io/game\\_platform/](https://victorjandreu.github.io/game_platform/)

This project shows popular videogames sections and allows videogame search by name. The data is obtained through an API and handled with Redux.

Technologies: React, Redux Toolkit, React Router, Vite, SASS

**Music Player** <https://victorjandreu.github.io/music-player/>

This web page consists of a music player that has 6 songs. Here you can pause, play, and change songs manually or automatically apart from choosing any song from the playlist.

Technologies: React, SASS, Vite

**Other projects in my portfolio:** [victorjandreu.github.io/portafolio/](https://victorjandreu.github.io/portafolio/)

## Work Experience

**Spanish teacher** in Inhispania - Spanish Courses (Madrid, Spain) 10/10/2022 – 10/10/2023

- **Empathy and customer service:** I am backed with empathy achieved through a multicultural perspective by working with international students. Nowadays, I am fully aware of the different user experiences because of these skills
- **Organisation and time management:** I was responsible for organising different classes and work shifts. Thanks to this role, I can currently plan and carry out tasks efficiently
- **Efficient communication:** I was able to teach students from more than 20 nationalities by making complex concepts simple and achievable through active listening.

**Waiter** in Haroki (Nagoya, Japan) 09/2019 - 09/2020

- **Flexibility:** I experienced a Japanese work environment. Thus, I possess a strong ability to adapt to different circumstances and profiles.
- **Quality service:** I maintained high standards in customer service through working under pressure

## Education

-Completion of 48 real projects at Frontend Mentor [frontendmentor.io/profile/victorJandreu](https://frontendmentor.io/profile/victorJandreu)
